

Creating Connections

Developing respectful relationships

1

Contact the teacher

On-site, via email/Connect, phone the school. Briefly outline the concerns you have.

2

Book a meeting

Book a meeting with the teacher, so you can work effectively to support your child.

3

Time

Allow time for the concern to be researched, strategies to be implemented and progress to be communicated.

4

Contact Admin

After time, if you still have concerns, reach out to the Deputy Principal or Principal.

Good communication between parents and teachers builds great futures
